1928 CROP GARDEN SEEDS.

Dear Sirs:

We herewith beg to hand you our 1928 price list of garden seeds.

Prices are per lb., netweight, bags extra, f.o.b. New York. Duty is paid on all the seed, and your only expenses are the transportation charges from New York to your warehouse. Terms we give are 30 days net, or 2% for cash in 10 days to firms of approved rating, otherwise Cash against Documents. The 2% discount is for the price of the seed only, packing and duty are Net Cash.

These special prices are for whole sacks only; if we have to break sacks we charge a few cents more for the extra work, and shrinkage.

We urge you to let us have your orders as soon as possible, so that we may be able to cover eventual shortage in time. For several varieties of Cabbage you will find prices high. This is due to an unusually difficult season and consequent shortage of reliable pedigreed strains.

To get your usual good seed, order in time, and order early.

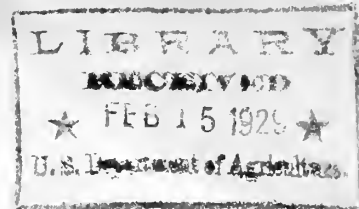

Yours very truly,

DANISH SEED GROWERS SALES CO., Inc.
